**THE PERIOD FOR RESPONSE: [check only a) or b)]**

- a)  expires \_\_\_\_\_ months from the mailing date of the final rejection.
- b)  expires either three months from the mailing date of the final rejection, or on the mailing date of this Advisory Action, whichever is later. In no event, however, will the statutory period for the response expire later than six months from the date of the final rejection.

Any extension of time must be obtained by filing a petition under 37 CFR 1.136(a), the proposed response and the appropriate fee. The date on which the response, the petition, and the fee have been filed is the date of the response and also the date for the purposes of determining the period of extension and the corresponding amount of the fee. - Appellant's Brief is due two months from the date of the Notice of Appeal filed on \_\_\_\_\_ (or within any period for response set forth above, whichever is later). See 37 CFR 1.191(d) and 37 CFR 1.192(a).

**Applicant's response to the final rejection, filed on Nov 20, 2000 has been considered with the following effect, but is NOT deemed to place the application in condition for allowance:**

  - they present additional claims without cancelling a corresponding number of finally rejected claims.

NOTE: the new issue is the address database provided in both the portable device and the computer connected to the network.

- Applicant's response has overcome the following rejection(s):  

---

---

- The affidavit, exhibit or request for reconsideration has been considered but does NOT place the application in condition for allowance because:  

---

---
